Plaza Companies Adds Kylie Cook to Property Management Team

Experienced Manager Will Help Develop New Business and Oversee Properties

PEORIA, Arizona (May 31, 2016) — Plaza’s already formidable team just got stronger with a key new hire.

Kylie Cook, who brings more than 15 years of real estate experience in Arizona to the Plaza Companies team, will serve as senior property manager and be responsible for business development.

Cook, a graduate of the University of Kansas who began her career as a realtor working for top notch Valley companies such as DMB, Russ Lyon, and Meritage Homes, was part of the Thomas Title & Escrow’s Regional Development and Sales team. In that role, she focused on marketing and client expansion in Arizona and national commercial services.

Prior to that, Cook served as the Regional Business Development Manager for Paradigm Tax Group where she closed over \$4 billion in real estate for property tax appeal work across Arizona, Southern California, Nevada, Utah, and New Mexico.

“Kylie brings a range of skills and has a comprehensive real estate background, and makes for an outstanding addition to our Plaza team,” said Sharon Harper, President & CEO of Plaza Companies. “We are thrilled to have her here working with our team. Her addition will help us achieve our goals.”

“I am pleased to be joining the Plaza Companies team and to have the opportunity to work with an organization with an exceptional reputation in the real estate industry,” Cook said. “I look forward to working with Plaza, its tenants and its partners in ensuring an exceptional level of service for everyone involved with these properties.”
