Jeanette is responsible for managing a portfolio of medical and office buildings in the Phoenix metropolitan area, as well as business park & office condominium associations. She brings to the company her expertise in tenant relations, lease administration, budgeting, accounting, vendor services and association board meetings. In addition, her role includes reviewing and drafting policies and procedures for several departments within Plaza Companies.

Socaciu joined Plaza Companies in 1999, before leaving in 2007 to pursue an opportunity specific to her unique set of property management skills with Roskamp Realty Services. Ms. Socaciu lent her expertise to the company's portfolio of medical buildings, senior living communities and land owned by Sun Health Services, before signing back on with Plaza Companies in 2010. Socaciu successfully obtained the Real Property Administrator (RPA) and Facilities Management Administrator (FMA) designations with BOMI International, in addition to the Certified Property Manager (CPM) designation through the Institute for Real Estate Management.

She has overseen operations for many of the region's largest and most respected medical facilities, including Anthem's Anthem Medical Plaza and Venture Court Professional Plaza, Glendale's Paseo Medical and Dental facility, Plaza Medical and Research Center I in Peoria, and Estrella Medical Plaza in Phoenix. Associations include Lakes Medical Plaza Condominium Owners Association in Sun City, Venture Court Owners Association in Anthem, and Plaza del Rio Owners Association, Plaza Town Center Owners Association and Plaza Town Center Condominium Association in Peoria.
